

## NOUVEAU

**NOUVEAU** is the ideal entry-level fireplace if you need an outdoor fire and your immediate need is heat and ambience. It has a huge operating window that gives an incredible view of the flickering flames and fast heating of your entertainment area. The ashpan & grate design allows air to enter either side of the fire, concentrating the fire in the centre, which makes it hotter. Cooking accessories can be purchased separately if you decide to add side racks and a BBQ grill later, upgrading it to the Nouveau BBQ.

Mild steel or full stainless steel construction.

- Black stainless steel fascia trim & base
- Standard and offset flue adapter options
- Stainless steel outdoor weathershield

## NOUVEAU BBQ

**NOUVEAU BBQ** has all of the great features of the Nouveau with added BBQ capability. The stainless steel side racks have various height positions that support the hotplate & grill. The Nouveau BBQ is our original outdoor woodfire developed for the ultimate Kiwi outdoor BBQ experience. It has a tried and tested design and is still one of our most popular fires.

Mild steel or full stainless steel construction.

- Black stainless steel fascia trim & base
- Standard and offset flue adapter options
- Stainless steel outdoor weathershield
- Stainless Steel side racks
- BBQ Hotplate & Grill
- Storage cavity for BBQ hotplate & grill

## NOUVEAU PIZZERIA

**NOUVEAU PIZZERIA** has all the great features of the Nouveau BBQ with the addition of a pizza oven. If you enjoy cooking great BBQ food and love wood-fired pizzas, this will be the perfect addition to your outdoor area. You can bake, roast, grill and feed the whole family.

Mild steel or full stainless steel construction.

- Black stainless steel fascia trim & base
- Standard and offset flue adapter options
- Stainless steel outdoor weathershield
- Stainless Steel side racks
- BBQ Hotplate & Grill
- Storage cavity for BBQ hotplate & grill
- Integrated pizza oven with refractory firebricks
- Removable door handle
- Stainless steel pizza peel with wooden handle included

## NOUVEAU GRILL

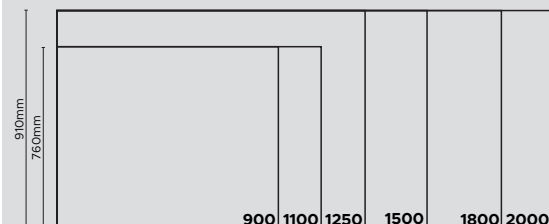

**NOUVEAU GRILL** combines the best of two of our superior outdoor fires: the firebox of our Nouveau fire with the stainless steel V-groove and adjustable wheel of our premium Kiwi-Grill fire. Cook your meat to perfection by adjusting the grill height with the side-mounted wheel, which can be built into a wall. Currently available in 900mm and 1100mm single flue and 1100mm twin flue models.

Mild steel or full stainless steel construction.

- Black stainless steel fascia trim & base
- Standard and offset flue adapter options
- Stainless steel outdoor weathershield
- Stainless steel removable & reversible BBQ V-groove grill
- Precision height adjustable grill with side-mounted Kiwi Grill wheel
- Grill can be lifted to top position to enjoy fire after cooking
